multicultural Open Night
What a wonderful turnout for the 2010 Open Night. More than 440 people visited our school and celebrated Multiculturalism with us. All our visitors were provided with a “Passport” to visit all the areas of the school where each class had activities and special displays from countries around the world. It was made all the more special that we received the keys to our new gymnasium the same day so visitors and the school community were able to enjoy this wonderful and much anticipated new facility. Thank you to everyone who participated in this special event. Don't forget that the engraved paver orders are due back to school on Friday 17th September.
