Please meet at the Aquatics Foreshore Area on the Southern corner of SaltFleet Street and Esplanade Port Noarlunga. Note buses now enter the car park, turn left and follow the perimeter in a clockwise direction, to drop students on the western side of the car park. Once students have alighted, buses can then travel in a clockwise direction to park on the southern side of the car park or park at the Institute. Only meet at the Kayaking shed if pre-arranged.
