

OSHC RULES

Strong Decisions

1. Following instructions promptly and without arguing (respectful listening and actions all the times);
2. Playing appropriately with others; (be gentle playing with the little kids)
3. Speaking politely and using manners; (remember "please" and "thank you")
4. Respecting people, property and yourself; (treat others like you would like to be treated and care for our equipment so it lasts)
5. Playing within the boundaries;
6. Staying within sight of a staff member;
7. Using equipment appropriately; (that means using equipment safely and treating it with respect so that it doesn't get broken);
8. Asking a staff member for help if needed (instead of tantrums or sulking because we can't help if we don't know);
9. Helping to clean up (everyone helps - even if the mess wasn't created by you. Clean up time is not time to go to the toilet or collect your gear to go home!

OSHC RULES

(Weak Decisions)

1. Answering back or using inappropriate body language or swearing;
2. Hurting other people, fighting or using any aggressive behaviour (bullies don't belong at OSHC);
3. Teasing others, using "put-downs", calling people names or excluding others from the group
4. Damaging property (breaking stuff)
5. Going into out-of-bounds areas
6. Going out of sight of the staff (for example playing behind buildings or hiding in trees)
7. Ignoring or disobeying staff instructions (I forgot or I didn't hear or I can't remember isn't an excuse!)
8. Using other people's property without permission (ask first and wait for the answer)
